It has been said that the best gift we can give someone is to teach them how to pray. If you don't talk and more importantly, listen, to God every day, how else will you know what He is calling you to do? Just as you talk to family and friends every day, get in the habit of talking with God every day. Develop a daily prayer routine. Keep your prayers simple and sincere. This is best done in silence, when you can hear His response.
